**Detailed Action**

*Reasons for Allowance*

1. The following is an examiner's statement of reasons for allowance: the prior art of record does not show or disclose the claimed storage device control unit for performing data writing/reading to/from a storage device responding to a request coming from an information processor via a network; the unit comprising a communication interface for communicating with the information processor, a storage device interface section for carrying out communications with the storage device, a cache memory section including first cache memory for storing data coming and going between the information processor and the storage device, and an internal connection section for connecting the communications interface, the storage device interface, and the cache memory section together for communications, wherein the internal connection section has a second cache memory for storage of data that is the same as the data stored in the first cache memory.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

*Conclusion*

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
